

# BC NURSE PRACTITIONERS MAKE OUTSTANDING CONTRIBUTIONS

Congratulations **DR. MINNA MILLER** for being selected as a **2017 Fellow** by the **American Association of Nurse Practitioners (AANP)**!

The Fellows of the American Association of Nurse Practitioners (FAANP) impacts national and global health by engaging recognized **nurse practitioner (NP) leaders** who make **outstanding contributions** to clinical practice, research, education, or policy to enhance the AANP mission. FAANP is dedicated to **advancing the NP profession**.

DR. MILLER IS THE **1<sup>ST</sup> CANADIAN NP** TO BE INDUCTED AS FELLOW BY AANP.

## ABOUT DR. MILLER

- Credentials: DNP, MSN, FNP-BC, NP(F), Family Nurse Practitioner.
- Has a nursing career spanning 31 years, which includes clinical research engagements.
- Holds a faculty appointment at the University of British Columbia's School of Nursing.
- Works at BC Children's Hospital as a consultant in an ambulatory clinic setting at the asthma clinic, shares a primary care practice with four NPs, and is involved in regional and international committees/boards.
- Education: Diploma in Nursing, Grant MacEwan Community College, Edmonton, AB; Bachelor of Arts, Health Services Management, Ottawa University, Kansas City, KS; Masters of Science (Nursing), UBC; Family NP, Doctor of Nursing Practice (DNP), Western University of Health Sciences, Pomona, CA.

“ I love being an NP because I get to work with people: children and their families, and health providers from all over the world. I feel like I am making a difference in the lives of people who need help the most. ”
